IN RE: Docket No. 2008-110-T - Application of McCormick County Senior Center for a Class C (Non-Emergency) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier

Dear Mr. Terreni:

It has come to our attention that McCormick County Senior Center ("Applicant") has filed a request for an extension of time to comply with all rules and regulations of the Commission as stated in Order number 2008-256 (Order Granting Class C-Non-Emergency Certificate). As stated in the order the applicant must file all necessary documentation such as proof of liability insurance, pay applicable license fees etc. in order to be issued a Certificate of Public Convenience and Necessity.

The Office of Regulatory Staff does not object to the applicant's request. However, if the Commission grants the applicant's request, the ORS respectfully requests that the Commission order the applicant to cease and desist all operations to provide medicaid transportation through Logisticare brokerage company until said certificate is issued.

Thank you for your assistance in this matter. If further information is needed, please do not hesitate to let us know.

Sincerely,

C. Lessie Hammonds
